ICONA DOOR
ENTRY MONITOR

Comelit's new door entry monitor.

Inspired by the masters of minimalism, Icona takes away everything superfluous and adds innovative control functions. Total linearity and minimalist styling make it the perfect match for any architectural or interior design context.

Icona

Icon of design.

Icona features a clean and simple design, without any superfluous details. Gloss surface in transparent, scratch-resistant polycarbonate and edges with a brushed, matt metal finish. Formal minimalism down to the last millimetre, housing complex technology inside. Icona is available in flush-mounted, surface-mounted and desk base versions.
