MINIMALISM
PURE FORMS, TIMELESS ELEGANCE

Discover the essence of simple elegance where clean shapes create a visual calm and clear functionality. This collection emphasises essential forms through precise craftsmanship, combining understated sophistication with thoughtful illumination that enhances your living environment without overwhelming it.

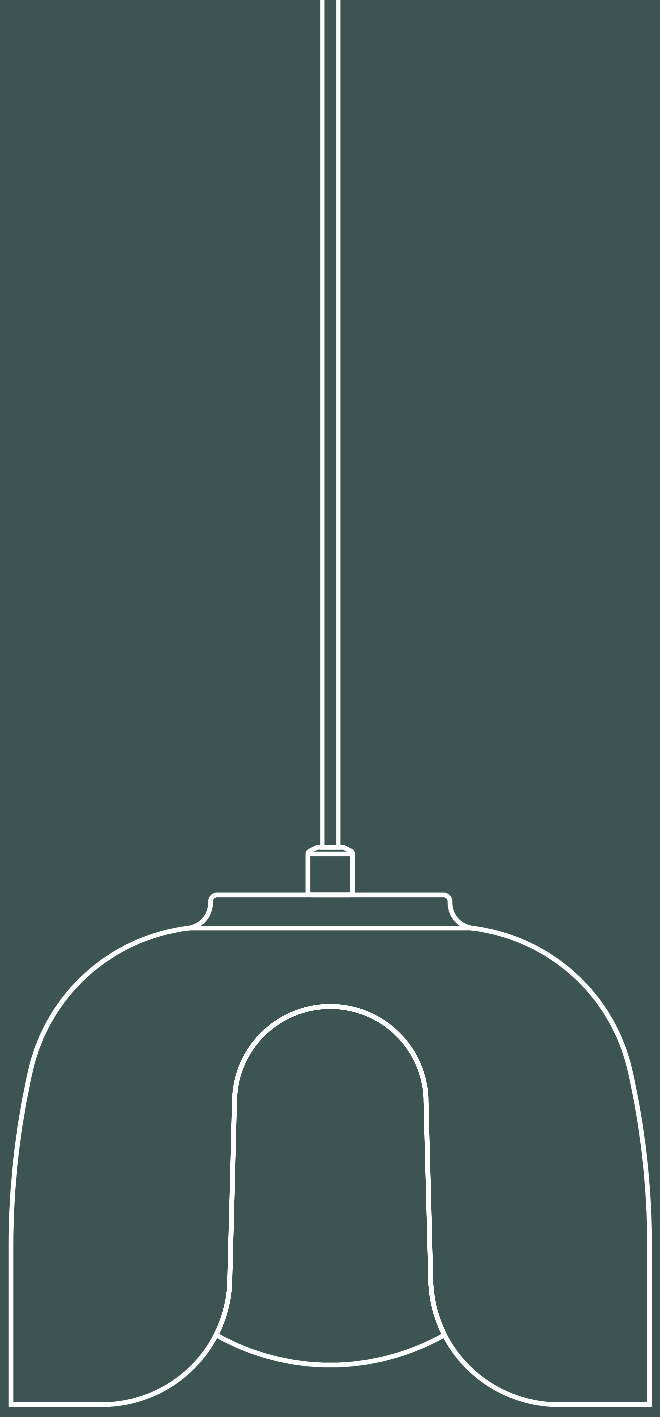

OSRAM DECOR LUMINAIRES BY LEDVANCE present minimalist lighting designs that speak through subtle details and purposeful restraint. Our MINIMALISM collection features carefully considered proportions and pure silhouettes that transform spaces into contemporary living environments.

RETRO LOVE

RETRO LOVE brings timeless charm into the present, infusing your home with distinctive character. Featuring bold, round forms and vibrant hues of black, red, orange, and green, these luminaires combine steel and glass to create pieces that are both nostalgic and refreshingly contemporary. Each design celebrates retro aesthetics while seamlessly fitting into modern living spaces.

Vibrant hues and iconic shapes add a joyful touch to your home, celebrating the spirit of a beloved era.

GLASS POETRY

GLASS POETRY celebrates the pure beauty of light and form, where transparent amber and smoke glass create captivating patterns on walls and ceilings through their gently sculpted, wave-like surfaces. The LANTERN family adds a touch of natural warmth with wood and marble accents paired with white glass, offering a modern yet timeless aesthetic. With clean, rounded shapes and minimalist elegance, these luminaires bring a serene sophistication to any space, transforming light into an artful experience.

Sculpted glass and natural materials create mesmerizing light patterns, adding a serene and artistic touch to your living space.

INDUSTRIAL
URBAN EDGE, BOLD CHARACTER

Embrace the raw charm of exposed structures and functional design to bring a bold, modern edge to your space. This collection balances industrial elements with refined craftsmanship, blending urban sophistication with warm, ambient lighting while celebrating the beauty of simplicity.

Welcome to OSRAM DECOR LUMINAIRES BY LEDVANCE, where urban sophistication meets practical elegance. Our INDUSTRIAL collection features robust fixtures and textured surfaces that add depth and personality to modern living spaces through thoughtful design and authentic finishes.

INDUSTRIAL STYLE

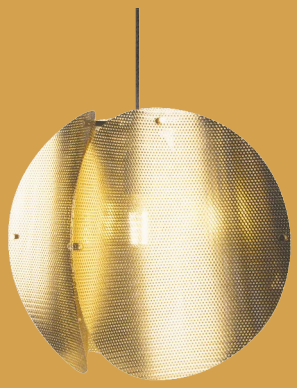

Embrace the raw, rugged charm of INDUSTRIAL STYLE, where robust metal meets functional design. This concept brings a bold, modern edge to your space with its blend of exposed structures and warm, ambient lighting. Crafted from durable and sustainable materials, these luminaires infuse urban sophistication into your home, seamlessly blending practicality with style.

Raw materials, urban chic. Metal structures combine functional design with a warm, ambient glow. A bold statement for your modern home.
