# LIGHTING THAT FOLLOWS YOUR SPACE

## CHOOSE YOUR SIZE AND COLOR

The Elemental series combines minimalist design with everyday usability. Each fixture is designed for quick installation and easy adaptation to any space. GU10 compatibility and replaceable bulbs offer freedom of choice, and the included suction cup makes bulb replacement effortless.

## ASSURANCE OF QUALITY AND SAFETY

Beyond functionality and design. Elemental is built with safety in mind – from thicker, double-insulated cables to top-tier certifications like CE, LVD, RoHS, REACH and the GWT (Glow Wire Test). All under the trusted OSRAM brand, with over 100 years of lighting expertise.
